FANTASYLAND

Your Guide to the World's Largest Fun & Fashion Centre

Explore the world of West Edmonton Mall — over 5 million square feet of shopping, recreation, and entertainment under one roof!

SHOP over 800 stores including The Bay, Sears, Eaton's, Woodwards, Zellers, BiWay, Safeway, Debajis, Canadian Tire, The Brick, HomeTown, Ikea, Sportchek, over 300 fashion retailers and more!

FANTASYLAND — The world's largest indoor amusement park offers fun for kids of all ages. There's even an indoor NHL-size ice arena — THE ICE PALACE, practice home of the Edmonton Oilers. On completion, Fantasyland will feature 28 rides including a 12-storey Freefall, the world's largest triple loop roller-coaster, an upside-down 86 foot Looping Starship and more from around the world.

SUBMARINE RIDES pass sunken treasure, sea monsters, a real Spanish Galleon, and marine life from the seven seas to thrill passengers on the DEEP SEA ADVENTURE. Back on shore, live dolphin shows entertain the crowds daily.

GOLF on a miniature course modelled after California's famous Pebble Beach. It's a heartbreaking par 46 complete with water hazards, sand traps, and all the challenges of the original course.

SURF, TAN & SWIM in a tropical atmosphere in our year-round indoor waterpark. Waves up to 6 feet in height crash on the beach while 22 waterslides take you from a maximum of 85 feet to splashdown.

HOTEL FANTASYLAND — Reserve now for our opening in the summer of 1986 and take your pick of 360 themed "fantasy rooms". Each floor will capture the atmosphere and charm of a different country with decor and music to match. The extra-large rooms will feature laser light shows, jacuzzis, and special effects. Reservations available now — call (403) 436-7966 collect.

TOURISM — For group tours, travel packages, and West Edmonton Mall Tourism information call our tourism department at (403) 481-TOUR.
